March 2015

## Sufism as a Tool for Youth Works

**Erasmus+**

### Erasmus+ KA1 Youth – Training Course

#### Our main objectives are;

- To learn Sufism in theoretical and practical way.
- To Develop innovative methods on self awareness and tolerance
- To meet new cultures, develop new partnerships and create new projects for the future.

#### Methodology

The whole learning process in the workshops are based on the Non formal Learning Methodology such as group works, presentations, simulations, role plays, study visits etc.

Together with these workshops, we aim to understand Sufism and develop new tools that can be used on self-awareness and tolerance in youth works.
