

CATCH THE SOUND OF MOVEMENT

8 - 16 July 2016
Mudanya/Bursa

THE PROJECT

DATES: 8 July 2016 – 16 July 2016

(2 days for arrival and departure + 7 days for the main activity)

LOCATION: Mudanya/Bursa

The aim of this project is to raise the awareness and interest of the local youth and people of Mudanya/Bursa towards the arts through the use of pantomime.

The objectives are:

- To communicate, experience story-telling, and raise awareness on the art of mime by eliminating many of today's communication tools, especially verbal communication and language.
- To bring together young people who are interested in discovering alternative means of communication processes
- To utilize the cultural diversity created through the project by bringing together young people from different cultures in the production processes of our project and to raise awareness about cultural diversity among the participants and the local youth
- To draw attention to art and local youth through the local events

PARTICIPANT PROFILE

- 1 Group Leader + 5 Participants
- Participant Age Range: 18 – 25 years old*

*This is the ideal age range, however, if you have someone in mind who is older (not over 30 years old) who happens to be a very suitable participant candidate for this project then it's not a problem. Although we would like you to stick to the defined age range as much as possible.

*There is no specific age range for the group leader

- The participants don't need to be professional artists or have previous education related to arts, however, they should be enthusiastic and interested in art, as well as pantomime. It is preferable that they have a previous foundation of arts whether it is through workshops, hobbies, activities, etc.
- The project activities require the participants to be comfortable performing and being physically expressive so, we need energetic people who are open to trying new methods of communication and aren't afraid to get a little silly.
- It is preferable that the participants have previously been a part of Erasmus+ programs, that they are open to meeting new people from different cultures and are interested in sharing and exchanging knowledge, ideas, and experiences.

TRAVEL COSTS

The travel cost limit for each partner is **260 + 10 EUR**

- **260 EUR** for flight, local transportation, airport shuttle (purchased by partners)
- **10 EUR** for the ferry to and from Mudanya (purchased by host)

*Because we will need to take a ferry to and from Mudanya. Please make sure that your arriving flights are early in the day (morning-noon) and that your returning flights are late in the day (mid/late afternoon-evening).

*Also, please make sure that the flight arrives to and returns from Ataturk International Airport.

All visa costs will be reimbursed.

PLEASE KEEP ALL TRAVEL OR VISA DOCUMENTS/RECEIPTS SO THE COST CAN BE REIMBURSED.

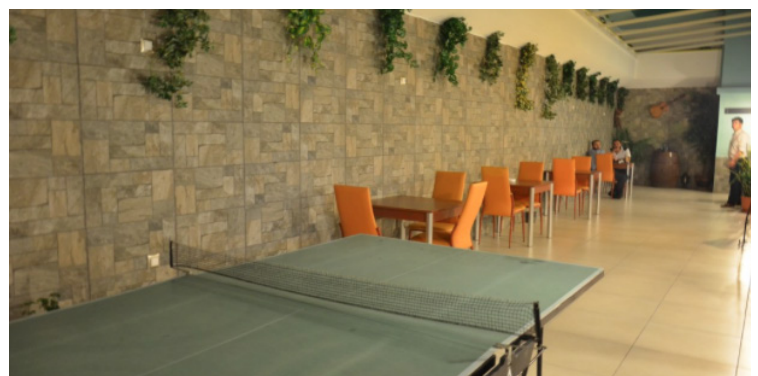

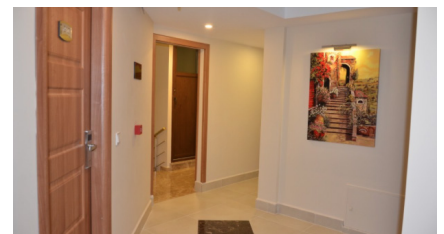

TRAVEL ROUTE

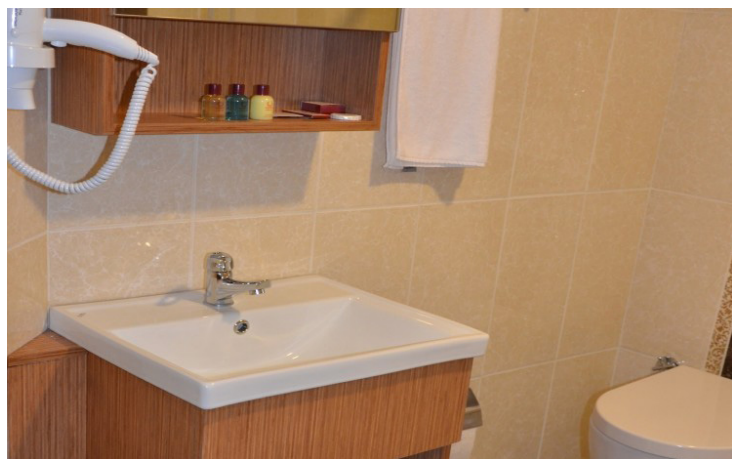

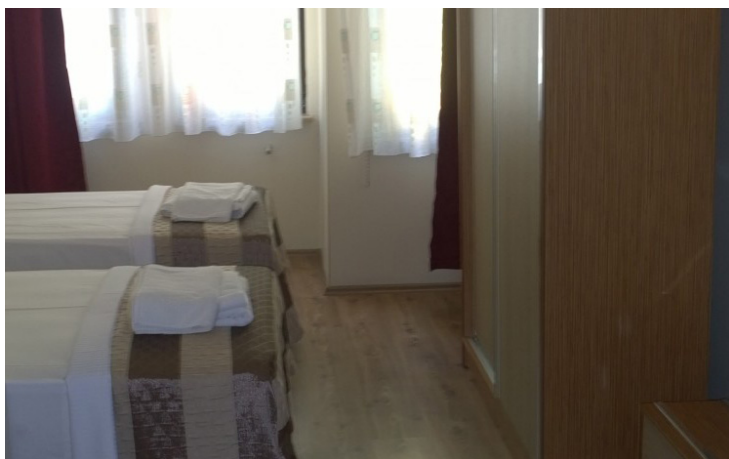

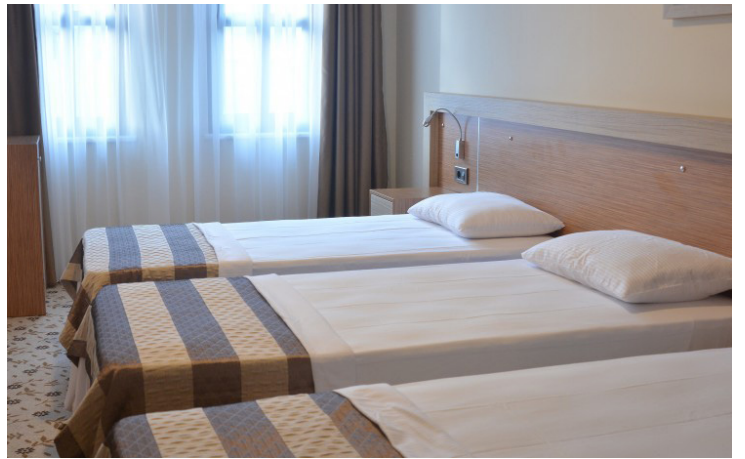

- Once having landed at Ataturk International Airport, take the airport shuttle HAVATAS to Taksim. Taksim is the final destination of the shuttle.
- Members of the Turkish group (whose names and contact information will be provided) will greet the participants at the Taksim drop-off point.
- Once all participants have arrived in Istanbul, we will get on the ferry from Kabatas to Mudanya/Bursa.
